### SEWER JOB SOLUTION IS IN SIGHT

Hugh & Cole Offer to Complete Jones' Job for \$267,000

WOULD SAVE MONEY

Completion of Plan up to Philadelphia Bonding Firm

Settlement of the Fred R. Jones Co. sewer contract mud- without causing the city to pay any bonds or advertise the completion of the job which Jones defaulted appeared near Thursday morning as the result of a proposition made to the city by the Hugh & Cole Co.

Whether the deal will go depends entirely, officials say, on the attitude which the Independence Bonding Co. of Philadelphia, one of the indemnity companies involved in the muddle, takes toward the deal.

Officials of the Royal Indemnity Co. are said to be favorable to the proposition, so much so that the contracting concern has offered to complete the job for \$267,000, which is \$170,000 less than the \$437,000 which the city paid for the job.

Officials of the Royal Indemnity Co. are said to be favorable to the proposition, so much so that the contracting concern has offered to complete the job for \$267,000, which is \$170,000 less than the \$437,000 which the city paid for the job.

### WILL NOT CALL SPECIAL SESSION OF LEGISLATURE

COLUMBUS—Senator George E. Kryder of Henry-co, majority floor leader and member of the legislative committee which was delegated with authority to reconvene the general assembly, today declared that he would not vote for a special legislative session to consider taxation matters until all factions had agreed upon a taxation measure.

He also stated that he might demand that any agreed proposition first be submitted to the individual legislators and if a majority of them also favored it, then he would consent to reconvening the legislature to enact such taxation law.

Senator Kryder conferred today with Attorney General Crabbe. The purpose of the conference was not disclosed.

### M'GAHAN OFFERS JAILERS \$5,000

Suspected Bank Robber Tries to Buy Way to Freedom

RESISTS 'MUGGING' EFFORTS

Held for Franklin Grand Jury Under \$30,000 Bail

Bribe of \$5,000 for his release was offered by George "Red" McGahan, notorious bank bandit, to Marietta jailers after his capture Tuesday afternoon, according to a local operative of the Lima branch of the National Detective agency.

One local detective hired by the Ohio Bankers' association was enroute to Marietta to assist in the capture of McGahan but got only as far as Steubenville when he was advised that the daring bank bandit had been taken, it is claimed.

TOLEDO HAS CALL  
Paramount question confronting officials is where McGahan will first be placed on trial, but belief is that Toledo federal court will have preference on an indictment of using the mails to defraud.

Government officials were in Columbus Thursday with certified copies of the indictments returned last week, charging him with complicity in a scheme to dispose of government bonds stolen in the Delta bank robbery of 1920. A woman is also under indictment. Her arrest has been ordered.

Toledo federal court indictments are the only known federal counts against McGahan and federal officials say the government case will take precedence over any state charges against him.

EARLY TRIAL SEEN  
Should "Red" be taken to Toledo it is possible he will be given an early trial. Should the federal prosecution be delayed there is a chance he will face the Franklin-co. grand jury in January for his participation in the Grove City bank robbery.

McGahan has resisted every effort on the part of police to obtain a good photograph of him. Wednesday afternoon he was strapped into a chair and held by policemen but he screwed his face into unnatural poses and no good likeness was obtained.

Information received from a former jailmate of McGahan reveals the fact that the bandit has more than \$500,000 scattered throughout the middle western banks under various names. This is booty obtained in many robberies and will be used by him in fighting the many charges placed against him.

Bail of \$30,000 was set Wednesday afternoon by Mayor Near of Grove City at arraignment of McGahan before him. Plea of not guilty was filed and the daring bank robber was bound over to the grand jury. Trial is expected to start on Jan. 3. Toledo authorities do not step in.

### RECORDS ARE WELL KEPT. EXPERTS SAY

Products of Farm Bring in Good Income During Year

PATIENTS APPEAR SATISFIED

Every Able Bodied Inmate Works at Local Institution

Perhaps one of the most commendatory reports ever written concerning the conduct of affairs of a state institution is that accorded the Lima State Hospital for Criminal Insane, by John Baker and G. D. Brown.

It is the result of an investigation of the affairs of the local institution for the period from October 21, 1919, to June 21, 1923, filed at the office of Auditor of State J. T. Tracy, and copies sent to the institution.

Quite naturally, the report is very pleasing to Dr. Chas. Clark, superintendent, as its every typewritten page has something of a commendatory character, while of fault finding there is little or nothing.

The story of the management of the institution during the period covered by the investigation and audit, is summed up by the examiners in this one sentence:

"Records of the institution and the systems of accounting are neatly and accurately kept. All moneys and supplies are properly accounted for."

The report shows that from the sale of wool, hides, rags, barrels, wheat, registered and grade calves, ferrets and beef there was realized during the period the sum of \$4,207.90 all paid into the state treasury. Wheat alone brought in \$1,993.98.

The dairy maintained at this institution is something to be proud of," the report declares. "One can scarcely realize what a herd of this kind can produce, it gives proper care. The dairymen is just as much interested as the plant was his own."

The examiners point out that even better results could probably be obtained by the installation of milking machines. They admit that the milking is efficiently done by patients, but call attention to the fact that changes in the milking force are made from time to time and the cows have to become accustomed to those looking after the work.

RED COMMENDED  
The herd at this institution is one of the best in the state," the report declares, "and is being improved every year."

The average number of cows milked during the period was 39. From June 1922 to May 1923, milk was produced totalling 63,582 gallons, with a value of \$14,186.46. Value of feed consumed by the cows was \$4,221.35. The salary of the dairymen was \$1,200, all other work being performed by patients. The total profit from the dairy for the year was \$8,765.11.

The report discloses that the institution has 138 employees and the payroll was \$7,684.25 in May, 1923. Total population of the hospital June 21, 1923, was 1060, divided as follows: Male patients, 775; female, 163, total 938. Added to this is 122 officials and citizen employees.

### THE INNOCENT VICTIMS

It will be a blue Christmas for Mrs. Leo Koretz, wife of the "Chicago Ponzi," and her two little children. The husband, accused of swindling hundreds in bogus oil transactions, is being hunted over land and sea. And the wife, who, according to authorities, also lost money in her husband's alleged illegal speculations, has given up considerable of her personal property in an attempt to alleviate the losses of others.

### MISS GREVE APPOINTED STATE CHARITIES HEAD

COLUMBUS — Miss Belle Greve of Cleveland, an attorney who for two years was connected with the Cleveland department of welfare and who did Red Cross and other relief work in Russia and other foreign countries, was appointed state superintendent of charities today by Director Harper of the state welfare department.

She will enter upon her new duties January 1, and will succeed Miss Cora C. Cooley, resigned. The position pays an annual salary of \$4,000.

### CONGRESS TAKING 2 WEEKS REST

Deadlock in Senate is Still Unbroken

WASHINGTON — Congress began a two weeks holiday recess today with senate organization still incomplete and a practically blank record of legislative accomplishment since it assembled on December 3.

With some of its committees functioning during the holidays, the house will be able to get down to the serious business of the session after it reassembles on January 3.

The senate, however, will come back to renew its efforts to break the deadlock over the chairmanship of the interstate commerce committee unless it should prove possible for leaders to effect some sort of a compromise in the meantime.

With the two ballots taken yesterday, the senate ran the consecutive string to twenty-five, which sets a precedent for voting of this kind.

### FIREMAN IS INJURED WHILE FIGHTING FLAMES

CLEVELAND — Fireman William McGrath was slightly bruised and cut when he fell while fighting a fire in the Griffiths Block here early today.

McGrath and seven other firemen were hurried to the ground when a stairway collapsed.

### CHANGE OF VENUE HELD TO BE PRISONER'S RIGHT

#### STEALS TO BUY PRESENT

CHICAGO—(United Press)—Unless someone intervenes, Mrs. Robert C. Scott, 68, will be without a present Christmas morning from her 72-year-old husband and the aged man will be in jail.

Last evening Scott was arrested as he slipped from a store with a package under his arm. At police headquarters he readily admitted the theft of a pair of trousers.

"I'm out of a job and I stole the pants to sell them so I could get a present for my wife," he told police.

#### UPRISING PLOT IN U. S. BARED

Raising of Red Flag Over White House is Planned

MOVE ENGINEERED IN RUSSIA

WASHINGTON — (Associated Press)—Plans attributed to Russian Soviet authorities for organizing and training "fighting" units among American industrial workers to "raise the red flag over the White House" were published today on authority of the state department to disclose definitely the basis of Secretary Hughes' charge of revolutionary propaganda in his refusal to enter into negotiations with the Moscow government.

Detailed Communist instructions from Russia to the Workers' Party of America, the authenticity of which was vouched for by the department of justice, called for weekly "instructions in shooting" and "some instruction in pioneer work (rapper work)" for the "fighting units" in addition to "all other matters." The plans outlined, the document stated, were designed to "give enormous results in the sense of preparing thousands of new propagandists, future leaders of the military forces of the party and faithful fighters during the hour of revolution."

Organization of "units of ten" according to occupation and nationality in "factories, mills, plantations, clubs, etc." was proposed in the instructions, which are credited to Zinoviev, president of the Communist International and of the Petrograd Soviet. Each of the groups of ten, he added, "must have their own fighting unit of not less than three men" appointed by their leader with the approval of the central committee of the Workers' party.

Railroad workers, miners, weavers, steel workers and similar workers engaged in the principal industries of the United States," were suggested as recruits for the units.

#### TRIAL NEARS END

Fox Murder Case Goes to Jury This Afternoon

ATLANTA — (United Press)—The fate of Phil E. Fox, Ku Klux Klan publicity director, charged with the murder of W. S. Cohn, will rest with the jury this afternoon.

Arguments to the jury will be made today after which Judge G. H. Howard will deliver his charge. W. S. Howard, attorney for the family of Cohn, opened the arguments to the jury with an attack on the defense for not seeking a lunacy commission and for failure to put Dr. Newdigate Owensby noted alienist, who made a detailed examination of Fox, on the witness stand.

#### PARDONS SOUGHT FOR 2 FEDERAL PRISONERS

CLEVELAND — Papers asking Christmas pardons for Louis and Abraham Auerbach, who were sentenced to Atlanta federal prison a year ago for liquor conspiracy charges for two years and fined \$10,000 each, were in the hands of President Coolidge today.

Court of Appeals Reviews Decision of Judge Becker

COUNTY TO FIGHT RULING

Prosecutor Lippincott to Carry Case to Supreme Court

Otis Hines, 43, mulatto chef, convicted in common pleas court of manslaughter, for killing Robert Halloran, 19, of 535 N. West-st, won a new trial, and change of venue in a decision handed down by appeals court Thursday.

Appeals court judges found that Judge Fred C. Becker erred in overruling a motion for change of venue, filed by counsel for Hines in November 1922.

The judgment of the lower court is reversed, at cost of the state, and the cause is remanded for new trial with instruction to sustain a motion for change of venue.

NEW TRIAL  
Decision of the court means that Hines will be retried on a second degree murder charge, but the case will be heard in one of the several counties adjacent to Allen-co. Van Wert may be the scene of the trial.

All three judges concurred in the decision, and set forth their reasons in a lengthy opinion filed with the verdict.

They found that Hines was an employee of the B. & O. railroad and was in charge of the cooks and waiters at the Lima shops during the shop strike in 1922.

While on an errand he met Robert Halloran and Enos Hickey near the corner of McKibben and Union-st. An altercation ensued in which Halloran was shot. He died within a few hours.

Affidavits filed by Hines' counsel represented that there are several thousand union men in Allen-co. and that more than 1,000 persons eligible for jury service were members of the Federated Shop Crafts, or their sympathizers.

For this reason, it was asserted, it was impossible for the defendant to obtain a fair and impartial trial in Allen-co. Counsel affidavits denying this was true were filed by Prosecuting Attorney Eugene T. Lippincott, to offset the affidavits of prejudice. The court affidavits stated that the strike was over and there was no prejudice in the matter.

The court denied the application for a change of venue. Appeals court held, however, that many of the county affidavits filed were sworn to before the prosecuting attorney, and were therefore void. No consideration should have been given to them by the trial court.

In commenting on the case the opinion reads in part: COURT COMMENT  
"It is true that the opinions of representative citizens have been given in their affidavits to the effect that the trouble has subsided and the defendant can therefore have a fair and impartial trial. But human psychology teaches us that when there has once been fixed in the human mind a bitterness and prejudice, it has not vanished simply when an individual passes his time in peace and quiet."

## SPECIAL SCHOOL CELEBRATES

Christmas Program Given Wednesday at Garfield Building

### ATTRACTIVE ARTICLES MADE

Pupils Show Originality in Class Workmanship

Perhaps one of the most touching and unusual Christmas programs to be given in Lima this Christmas was that presented by 175 pupils of special classes at the Garfield school Wednesday afternoon. Each of the 175 pupils, despite some sort of handicap, took an active part in the program, which included songs, drill exercises and numerous Christmas plays.

The large corridor of Garfield school was filled with pupils. Parents accepted the invitation of the schools to witness the program. In the center of the corridor was a large Christmas tree, gaily decorated with seasonal colors.

During the day many parents visited the school and inspected the articles made in the special classes.

**MERCHANDISE MADE**  
On display was a large assortment of cleverly-woven rugs, fancy work, aprons, table and bedroom linens, and wearing apparel.

Boys in the special classes had on display an assortment of toys and sandy household articles.

Converting an old and rusty tin man into a fine-looking locomotive or a clever toy are some of the things accomplished by the boys. All of the ideas in toy-making are distinctly original.

All toys are painted by the boys. Expert workmanship is noted in every article on display.

Airplanes that will run along the ground, locomotives, bunny wagons, dolls, wooden horses and the like, including clever toys made out of different weeds, are exhibited.

Much of the work completed by the various special classes will be

taken home by the pupils, while some of the articles will be sold, the money to be used to buy material for rug-weaving and manufacture of other goods.

### ABILITY SHOWN

Mrs. Sadie Musser, principal of Garfield school, and Miss Mary Arthur, director of special schools, said that the majority of pupils show unusual ability in their work. Individual pride is manifested by every pupil in the work he or she is doing.

There are 10 special schools in the city, the first special school having been organized seven years ago. Pupils attend the special schools voluntarily and with the consent of parents.

Four schools, one in each part of Lima, are for retarded children; three groups for overage girls, between 14 and 17 years which are known as the home-makers class; two groups of overage boys, 14 to 17 years, in which half the time is given to cabinet making and half to academic work. Then there is the crippled children's classes. These children are taken to and from school in taxis. Meals are served them during the day by the home-maker's class.

### HASSENIER IS NAMED AS WAPAKONETA POSTMASTER

**WAPAKONETA** — (Special) — Announcement has been received here that the U. S. Senate confirmed the appointment of George W. Hassener as postmaster of this city.

Hassener has been serving as postmaster under a provisional appointment made by the late President Harding following the recommendation of the Augliese-co and Wapakoneta Republican committees to Congressman John L. Cable.

Other Ohio appointments were: Erbert H. Mack, Sandusky, and William Keepers, Uhrichsville.

### WOMAN KILLED

**CINCINNATI** — An unidentified woman lay in the Hamilton-co morgue today when police searched for the autist whose machine killed her. The woman was struck by an automobile near the court house, where the morgue is located, at 6 a. m. today. She died shortly afterward at General hospital.

## KORETZ CAPTURE BELIEVED NEAR

Federal and State Officers Join in Man Hunt

**CHICAGO** — (United Press) — Federal authorities joining with state officers in the search for Leo Koretz, Chicago's \$10,000,000 oil swindler, today said they expected to capture Koretz "within a few days."

"We believe we have located Koretz," Major Harry Hamlin, assistant United States attorney, declared. "He is in an American city within 24 hours ride of Chicago."

Hamlin said federal authorities had sufficient evidence to convict Koretz and give him 250 theoretical years in the penitentiary.

Koretz disappeared on December 6, when it was learned he had sold many millions of dollar's worth of stock in the mythical "Bayano River Trust" of Panama to members of his family, scores of friends and hundreds of prominent business men.

Authorities also will investigate thoroughly evidence which they say indicates Koretz supported several "love nests" each with a different woman.

### SUIT SEEKS RECOVERY ON SHIPMENT OF 1921

Suit for \$354.63 alleged to have been lost thru damage to a car, load of apples shipped from Warsaw, N. Y., to Lima in 1921, was filed in common pleas court Wednesday by A. C. Shappell against the Pennsylvania railroad.

Shappell recites that he bought the apples from C. R. Van Allen, and that the car was shipped by the Erie and Pennsylvania railroads.

The car contained 618 bushels of apples worth \$929.50 on the Lima market, but due to damage by bruising and crushing enroute the car brought only \$547.87, he alleges.

Shappell asks judgment for the balance he would have realized had the fruit been in good condition.

### AUTO PLUNGES INTO PUBLIC SQUARE DITCH

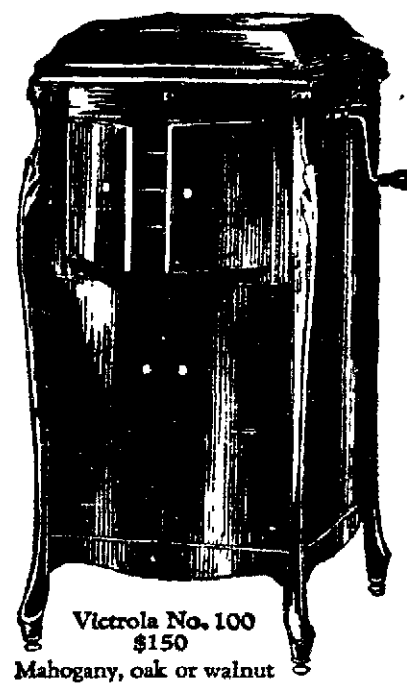

An automobile driven by A. L. McKee of Findlay skidded on the mud covered pavement at the square Wednesday night and plunged into the open sewer under construction.

Front wheel of the automobile was broken and the front axle bent. McKee escaped injury. Police say there were danger light in place at the time of the accident.

### FORMER PROHIBITION AGENT GOES ON TRIAL

**YOUNGSTOWN** — Garnet Howard, former federal prohibition agent here, went on trial today in juvenile court, charged with contributing to the delinquency of minor girls by taking them to his cottage and furnishing them with liquor.

# MAH-JONGG

BY J. P. BABCOCK  
Leading Mah Jongg Authority and  
Author of Babcock's Red Book of Rules

(BY J. P. BABCOCK)  
Leading Mah Jongg Authority and  
Author of Babcock's Red Book  
of Rules

No. 10—Scoring and Paying  
SCORES are computed and dif-  
ferences settled after each  
hand.

When a player declares Mah  
Jongg, he exposes the hitherto con-  
cealed portion of his hand, being  
careful not to con-  
fuse it with his  
already exposed  
tiles. His score for  
both concealed and  
exposed combina-  
tions is then to-  
taled, including all  
doubles.

If the winning  
player is other  
than East, he col-  
lects an amount in  
counters from two  
of the players  
equal to his points, and twice this  
amount from East.

If the winner is East, he collects  
double from each of the other three  
players.  
**PAYING UP**  
When the winner has been paid,  
the other three players total their  
scores and each pays or collects from  
the other two (except in case of a tie)  
on the basis of the difference in  
their scores. Thus, A scores 20, B  
25 and C 35. A pays B 5 and C 15.  
B pays C 10. In case either A, B,  
or C had been East, he would have  
paid or collected just double these

amounts, as East always pays or col-  
lects double.

In scoring tiles can be used in  
one combination only, and the exposed  
and concealed hands cannot be  
mixed. All tiles in the exposed  
hand must be left in the combina-  
tions in which they were declared.  
The following model hands will  
help you fix in your mind methods  
of scoring.

If on Table If in Hand  
For three 3s . . . 2 4  
For Mah Jongg . . . 20 20  
(for winning) . . . 20 20

To this total of 22 (or 24) would  
be added:

If winning tile was drawn from  
wall, 2 points;

If winning piece was only possi-  
ble piece to complete hand, 2  
points.

In this hand, you would score for  
only possible place to win if the last  
tile obtained was the 2 Character, the  
2 Bamboo, the 3 Bamboo, or the 7  
Bamboo.

**LOWEST SCORE**

Twenty-two is the lowest scoring  
combination for a winning hand. In  
the above hand, had the three of a  
kind in Dots been replaced by an  
other sequence, the above hand  
would have scored the consolation  
bonus of 10.

## PLANT JUICE DI WORLD OF GOOD

Relates How It Relieved His  
Stomach, Liver and Kid-  
ney Troubles

HE IS NOW FEELING FINE

"I read so much in the papers  
about your Plant Juice Medicine that  
I decided to try it and I can honest-  
ly say that it has done me a world  
of good," said Mr. E. B. Doyle, of  
79 Columbia Street, Newark, N. J.

MR. E. B. DOYLE

while talking with the Plant Juice  
Man at that city recently. "I have  
taken several bottles of your Plant  
Juice and I want to tell you what it  
did for me," Mr. Doyle continued.  
"I am a man 70 years old. For a  
long time my bowels had been ir-  
regular; liver was in active so that  
I had dizzy spells; kidneys were dis-  
ordered so that I had to get up two  
or three times a night, and my stom-  
ach was in bad condition and did not  
digest my food properly so 'hat eat-  
ing meat or any kind of heavy food  
was out of the question. I think  
also that the fumes of the different  
acids and chemicals which I would  
inhale while working at the DuPont  
Chemical Works, where I am em-  
ployed, had an effect on me and  
made me worse for it seemed like  
my system became saturated with  
poisons and I had colic pains and  
terrible misery. I was so nervous  
that my hands would shake and I  
slept poorly."

"Since I have taken your Plant  
Juice Medicine it seems like my  
whole system has undergone a thor-  
ough cleansing. My bowels are regu-  
lar. I have a good appetite and  
can eat most anything. My liver  
and kidneys work fine and the dizzy  
spells have left me and I do not have  
to get up so often at night. My  
nerves are quiet for my hands do  
not shake as they did before and I  
sleep better. I have more ambition  
and strength and, in short, your  
Plant Juice has done me a world of  
good and I gladly indorse it."

Plant Juice is sold in Lima at  
Hunter drug stores, 49 Public Square

A canvass among our leading citizens whose

The Little Store With the Big Talk

## Letters from Santa Claus

What a Noise the Wind-Up Toys Make!

(BY SANTA CLAUS)  
(Over Radio to the News)

TOYLAND, North Pole, Dec. 20.

Dear Children: There is so much noise about me today that I can hardly think to

write.

The Midgets, who have charge of the machine shop in Toyland, are setting the electric trains, the wind-up toys, and the dolls that walk and talk. They have to be sure everything works right before they let it go out of the factory.

Right around the legs of the wind-up desk is the track that is going to make some boy happy.

Very minute or two a little engine goes spinning around it. Attached to the engine are several cars and they sway back and forth as the engine moves along.

Now my ears are ringing again.

But I have to laugh, just the same. For several of the Midgets have found some firemen's coats and hats and they are tearing about here, climbing all over some toy fire-engines.

I have had a lot of requests for fire-engines, but I can send them only to the little folks who promise not to play with matches. Just because you have a fire-engine doesn't mean you must have a fire.

I believe every child who has written to me has asked for some toy that winds up. I just wish you could see all these funny toys when they are all wound up together. First a donkey pulls a little wagon into the wall, then a tiny automobile goes sailing around in a circle like mad. As fast as the Midgets find these toys work right, they are packed in little boxes.

Tomorrow I'll write you another letter about the wind-up toys, express wagons and kiddie cars.

SANTA CLAUS.

## 200 ARE KILLED IN MEXICAN BATTLE

Rebel Forces Are Defeated in Fight of 30 Hours

### LOSSES TO FEDERALS LIGHT

Insurgents Flee, Leaving Their Dead and Wounded

MEXICO CITY — (Associated Press) — Rebels attacking Villa Guzman, capital of the state of Oaxaca, have been defeated after thirty hours' battle with the loss of 200 killed and more than that number wounded according to an official bulletin issued by the war department.

The defending federals fought gallantly and suffered thirty casualties, according to reports.

The rebels fled, leaving their dead and wounded and large quantities of war material.

General Eugenio Martinez, commanding a military column, marching upon Villa Guzman, reports no further developments during the day, according to the war department communiqué.

"Military operations against Guadalajara are developing formally," concludes the war department statement.

Judging from the previous dearth of official and unofficial statements it was thought military operations against Vera Cruz, Puebla and Guadalajara were entering a quiet period, although reports of negotiations in an attempt to reconcile the warring elements as well as reports of preparations for a general advance continued in circulation.

**LINE NOT ABANDONED**  
VERA CRUZ — (Associated Press) — Newspaper correspondents telegraphed from the front the front last night that the Obregon troops had not abandoned the Mexican railway line and had not withdrawn to Minoz station as was stated by revolutionary headquarters here.

The correspondents also report the situation unchanged from Tuesday when the rebel columns remained stationary after the fighting at San Marcos. Advance posts near

San Marcos are keeping in contact with superior federal forces. The advance on Puebla by the Obregonists, the correspondents believe, has as its purpose the expulsion of the rebels from that city. This would prepare the way for an advance against the insurgent troops which came from Vera Cruz. However, the great obstacle also believe that rebel headquarters at Vera Cruz is preparing a plan for luring on the Obregon forces and then cutting their front in half. These maneuvers by both sides, it is pointed out, may account for the fact that to date no decisive battle has been fought.

### MUSEUM DESTROYED BY QUAKE TO BE REBUILT

TOKIO — Baron Okuma has announced that he intends to endeavor to replace the great museum which he presented to the nation some years ago and which was destroyed in the fire following the earthquake.

The collection of one of the chief attractions to foreign visitors in Tokyo and was of enormous value. Many of the relics cannot now be duplicated. A few were saved, having been removed to a fire-proof warehouse as the fire approached. The collection cost Baron Okuma about \$2,500,000.

## POPE SEES PEACE AT STANDSTILL

Tells Consistory Conditions in Europe Are No Better

ROME — (Associated Press) — In his allocution delivered at the secret consistory Thursday Pope Pius pointed out that peace conditions in Europe had not changed for the better since his last consistory. He recalled the recent visit of King Alfonso and Queen Victoria of Spain and announced that the Irish question was approaching a settlement.

The pope began his allocution by recalling the atrocious and sacrilegious crime, the murder of Cardinal Jean Saldella y Romero, archbishop of Santiago, on June 4, last, an event which he said caused him and all good people to found grief and sadness.

Conditions abroad, especially as far as peace is concerned, the pontiff asserted, "unfortunately have not changed for the better."

He recalled that the letter he addressed to Cardinal Gasparri, papal secretary of state, relative to relieving the calamities of central Europe was having happy results but he said much still remained to be done.

because of the continued bitterness and antagonism, needs of all kinds were increasing, especially with the approach of winter.

Cardinal Gasparri has appealed for help to the nuncios of accredited countries having an abundance of wheat, and the pope said he trusted this appeal might bear results sufficient to relieve the suffering.

# SHOP UPHOLDS CHURCH DANCE

Views Held by New York Rector

LED RELIGIOUS ARTIST

mony Between Modernists and Fundamentalists Sought

FRANCISCO — (United Press) —

Presentation of classic in the church is not sacrilegious, in the opinion of the Episcopal church of California. The bishop declared the church will be increased by continued open discussion of the question, leaders of both sides were adopting more moderate language and emphasizing the necessity of harmony.

Dr. Leighton Parks, whose liberal sermon last Sunday caused much of the publicity, gave out a statement in which he disclaimed any intention to defy deliberately either Bishop Manning of the diocese of New York, nor the Episcopal creed, including belief in the virgin birth of Christ.

Dr. Parks regretted publicity which has attended the controversy and seemed to feel that there was no danger he would be called for trial for heresy.

## CHARITY BALL IS OPENING GUN

Family Welfare Association  
Starts Fund Campaign Friday

ORCHESTRA, HALL DONATED

Tags on Sale Saturday in Down-  
town Buildings

A campaign for funds to carry on the work of the Family Welfare Association will get off to a whirlwind start Friday night at a charity ball to be given at the Moose Home.

Through the courtesy of George S. Fockler, his seven-piece orchestra will furnish the music and the Local Order of Moose has donated its lodge hall with all its facilities.

Every effort is being made by the association to carry the dance thru to success, association officers report, and a large crowd is expected.

Funds derived from the dance will be used to pay off salary debts incurred during the past three months and to further carry on the work of the Christmas season as well as the regular winter program.

**TAG SALE**  
Beginning Saturday morning, tags will be sold in downtown stores by members of South and Central Girls' Welfare clubs and also the Blue Triangle girls, Mrs. Harry Workman, Mrs. Elmer Roberts and Mrs. C. H. Atmure being in charge of the work. Permission to carry on this work was granted to the girls by Professor R. E. Offenbaur.

Through arrangements with J. E. Morton, secretary of the Board of Commerce, preparations have been made to have tags on sale in stores, banks, building and loan associations and office buildings.

A campaign to have all industrial plants contribute at the rate of \$1 for every employee is also under way. Ernest M. Bolkin, chairman of the board announces.

Records of the association show that 2,000 Lima families have been assisted during the past six years. Additional families are coming to the attention of the association every day, it is said.

**CHILDREN SUFFER**

One of the recent cases was a family with seven children. The father was incapacitated for heavy work and because of the lack of work was unable to provide. When a visit was made there was only a bushel of coal, a few potatoes and a little corn meal on hand. The children had practically no clothing. Help had never been asked before.

Program of action of the association is as follows:

Investigate within 24 hours all

new cases.

Give emergency relief at once.

Obtain employment, provide legal and medical aid and help in the formulation of plans for the permanent welfare of families needing rehabilitation.

Officers of the organization, beside Bolkin, are Julius Wise, treasurer, and Mrs. Irene Mills Jackson, executive secretary.

**MRS. GERTRUDE CREATH,  
ILL TWO YEARS, DIES**

Mrs. Gertrude Creath, 71, of Sidney, died Wednesday at the home of her daughter, Mrs. Lucile Jackson, 206 N. Woodlawn av., following an illness of two years.

Three other daughters, Mrs. Clara Wilson, Chicago; Mrs. Gertrude Brown, Sidney; Mrs. Lillian Sutton, Kentucky, and four sons, Sam, El, Wayne, Edward, John and Mason, Sidney, survive.

The body will be accompanied to Sidney Sunday morning for funeral services and burial.

**EMPLOYEE FRUSTRATES  
FREIGHT CAR ROBBERY**

Looting of a Western Ohio freight car was frustrated at 2:30 a. m. Thursday when William Rogel, freight house employe, frightened away the would-be burglar.

Rogel noticed an oncoming freight car when he investigated a man jumped out of it and escaped in the darkness.

After a check up of contents of the car it was reported at Western Ohio freight office that nothing of value had been taken.

## MOVIELAND HIT BY NEW TRIANGLE

Woman Says Director-Husband  
Wanted to "Sell" Her

LOS ANGELES. — (Associated Press) — Conflicting statements by two women in widely separated cities have made Elsie La Maie, motion picture director and theatre manager, a much sought after person.

The first woman, in a divorce complaint filed in the superior court, gave her name as Helen La Maie of Longbeach, near here, and charged her husband, Elsie La Maie, with having attempted to sell to her a wealthy negro of Juarez, Mexico, for \$500,000, \$150,000, of which she was to keep. She married La Maie in Santa Ana, Calif., nine years ago, the complaint stated.

**ANOTHER APPEARS**

The second woman, who said she was Mrs. Violet La Maie, wife of Elsie La Maie, motion picture manager in El Paso, Texas, that she knew of no divorce action against her husband, that they had been on the best of terms since their marriage in Dallas, Texas, three years ago and that she expected him to return in a few days from Los Angeles, where he had gone two weeks ago, according to advices received here.

Efforts to reach either party to the divorce suit filed here had not met with success early Thursday. In the divorce complaint filed here La Maie is charged with having breached to his wife an offer by Lou Harris Baker, said to be

a prominent negro of the Juarez underworld, involving the half million dollar marriage purchase plan and to have persisted over a period of four years in urging her to accept the bargain.

When she continued to reject the offer he became "violently angry," according to the complaint. The complaint also names Mrs. Mary Ella Howe Hollier of Dallas, Texas, as co-respondent.

**MAN HURT IN SEWER  
TRENCH CAVEIN, BETTER**

William O'Brien, 30, son of Michael O'Brien, 550 W. McKibben-st., injured Tuesday morning when a trench in which he was working at Loudenville, Ohio, caved in, is greatly improved, according to information from St. Rita's hospital, where he is a patient.

O'Brien is employed by the Allen-co Paving Co. which is laying a sewer thru Loudenville. He was the only man injured in the cave in. Another worker, who was in the sewer at the time, escaped injury. O'Brien was given medical aid and removed to St. Rita's hospital. He suffered a broken collar bone and injuries to his arms.

O'Brien's father is president of the company.

**MARGARET KLINE, 4, DIES,  
VICTIM OF PNEUMONIA**

Pneumonia caused the death Wednesday night of Margaret Kline, 4, daughter of Mr. and Mrs. Robert Kline, 591 S. Pine-st. Besides the parents, two brothers, Robert and Richard, survive.

Funeral services will be held Friday at 10 a. m. at the residence. Rev. G. Hammond will have charge. Burial in Lafayette cemetery.

## PENSION FUND AID TO BE SOUGHT

Trustees Vote Payments That  
Will Bring Exhaustion

COMMISSION TO GET PLEA

Three Beneficiaries Now Have  
Three Months Coming

Three retired policemen, three widows of policemen and four children will receive one month's police pension allotment each and then the fund will be exhausted, with the result that the trustees of the police pension fund will appeal to the new city commission for additional funds next year.

Decisions along these lines were reached Wednesday afternoon when the trustees of the police pension fund met at city hall to canvass the fund situation.

It was agreed first that Charles Billstein, E. N. Wallace and George Lanfair should receive their August pension checks of \$50 each, that one widow with four children should receive the December allowance of \$50 for herself and \$6 for each of her children and two other widows will receive December allowances of \$20 each.

**WHOLE YEAR BEHIND**  
Mike Sullivan, the fourth retired policeman, who is somewhere out west will get nothing. The pension fund now owes him a full year's pension of \$600. Major Frank H. Hume, clerk of the pension board, states.

Hume said that with the payment of pensions to the widows and orphans mentioned, there will be just \$134 left in the pension fund. Efforts will be made, he said Thursday, to raise another \$16 for the fund and with the total of \$150 to pay the three retired policemen their August pensions. That leaves the pension fund still owing Wallace, Lanfair and Billstein pensions for September, October, November and December. Hume said.

**\$4,800 PROMISED**  
According to trustees of the police pension fund the county budget commission promised Attorney Melvin Light that in the 1924 allotments of taxes the budget commission would give the city the full \$4,800 asked for 1924 police pensions along with the deficit in 1923 so that by the end of next month the trustees of the pension fund would be able to pay all the 1923 deficits and be assured of the full amount pledged for 1924.

But the allotment made to the 1924 police pension fund by the county budget commission was stat-

ed by that board to be only \$1,060, which leaves considerable deficit. It is to make up this deficit that the trustees of the police pension fund will send a letter to the city commission next Monday night asking that body to find some way to meet the requirements of 1924 and pay the back pensions for the four months of 1923 that still remain unpaid.

**STEALS COAL, FINED**  
Harry Green, colored, Thursday morning paid \$5 for 200 pounds of coal. He was fined that amount by Judge Neil R. Poling for theft of coal from the B. & O. railroad. The defendant told the court he was forced to steal the coal to keep his child warm.

# DWIGHT HARRISON FOUND GUILTY

Verdict is Returned in Case  
Against Dollings Co. Official

NEW TRIAL IS TO BE ASKED

Convicted of False Representations  
in Stock Sale

COLUMBUS — (Associated Press) — Motion for a new trial for Dwight Harrison, former vice president of the R. L. Dollings Co., of Ohio, found guilty last night of false representation in connection with sale of stock of the Phoenix Portland Cement Co., of Ohio, will be filed in Franklin-co criminal court today, according to one of his counsel, Robert Nevin, of Dayton.

After deliberating three hours and two minutes, the jury composed of nine men and three women, one of the latter a negro, returned their verdict. None would say how many ballots were taken in arriving at the verdict.

The trial, which lasted 14 days, was the longest ever held in Franklin-co criminal court.

Harrison was tried on an indictment charging him with having approved advertising matter of the company which set forth that the cement company "has" a cement plant at Nazareth, Pa., and with having made a like statement in a speech before salesmen of the company in September, 1922. Harrison denied the charges.

## PURCHASE NEGOTIATIONS

During the trial it was brought out that Harrison had entered into negotiations with officers of the company which owned the Pennsylvania plant for its purchase December 10, 1921. These negotiations continued until February 8, 1923, when a contract covering the transaction was made. It was later annulled when the Ohio company could not meet payments.

Harrison accepted the verdict calmly, displaying the same steel-like nerve and fortitude he has shown throughout the trial.

Talking with newspaper men after the verdict had been rendered he said, "I had expected this verdict from the court's attitude throughout the trial. When a man is not allowed to make a defense he can't

# ROYAL DAYS GONE FOR AUSTRIA

Chances for Monarchist Coup Gradually Dwindling

VIENNA — (Associated Press) — The utter failure of the last year's Hitler coup in Austria to result in monarchist elements here, is being taken upon as denoting a steadily decreasing reactionary feeling in Austria. Indeed, many close foreign observers here are now inclined to view the monarchist movement as an old story. Apparently it is going through the same stages in Austria that it is in other countries, where republicans have succeeded in crowding out monarchists, and if this is only sporadic upsurges, and if no special plots and disclosures are to be looked for.

In Austria, at least, there always will be a moderately strong monarchist element, but the men who compose it are not of the type to risk banishment and the probable loss of their remaining estates in a vain effort to put a monarch on a throne.

The members of the young Austrian nobility did not flock to Munich the other night when they

Endendorf and his right hand man Hitler, former Austrian house painter and assistant, sent out their call for monarchists to rally. Even the forty Obshlender, the armed irregulars of the first and Salzburg, failed to go to the border as duly advertised.

Five years of a republic, even though of vicissitude and uncertainty, have permitted the memory of the empire's splendor to fade, the mass of the people are becoming a threat to or educated in republican principles, and the workmen's organizations have established themselves firmly.

The forces of time and event work against restoration, and the open to it is broadly confined to the aristocracy, the old bureaucracy who fed idly on the empire, and the church.

At the same time, however, Austria has been seriously on foreign industries and foreign support, such a situation leaves no room for the luxury of a king and court and its apparatus.

Her thinking men of all classes are turning to the world of work, of attending to domestic business, and leaving the problem of central European politics and involvement strictly alone.

escape our knowledge; un-  
ing the mummy means its de-  
on for purposes of accurate  
Such pictures have been  
by D. C. Davies, director of  
eld Museum of Natural His-  
cooperating with the Victor X-  
orporation.

These pictures revealed also what  
had been buried with the bodies. For  
instance, various Peruvian mummy  
pecks were found to contain ears of  
corn, pottery, vessels of clay contain-  
ing shells, bits of metal, gourd ves-  
sels, beads, clay figurines and cut  
bone objects.

"In addition to the range of objects  
found in the bundles, we learn from  
the X-ray pictures something definite  
concerning the age, sex, and condition  
of the bony structure of the individ-  
ual buried therein," said Davies.

"We are able to discover the na-  
ture of injuries received during his  
life, as well as determine whether  
the deceased was a sufferer from  
chronic rheumatism, tuberculosis of  
the bones, caries, arthritis of various  
kinds, and other conditions of dis-  
ease.

"In the Egyptian collections the  
mummy of a man of the twenty-sixth  
dynasty was photographed in four  
sections, beginning at the head, and  
furnishes a wonderfully clear picture  
of the entire skeleton.

"Here we may expect to find frac-  
tures, pathological conditions such  
as bony tumors, rickets, hydroceph-  
alus, pyorrhea and caries of the  
teeth, all of which have been shown  
in the examination of unwrapped

skeletal material to have been com-  
mon among the Egyptians of the  
most ancient times.

"The great advantage of the X-ray,  
is possible to discern accurately these  
facts without injuring in any way  
the exhibition value of the specimens.

"Mummified cats, hawks, jackals,  
crocodiles and gazelles, also have  
been pictured with very satisfactory  
results. In the case of the hawk,  
even the tail feathers are very defi-  
nitely shown. The picture of the  
mummy of the gazelle brings out the

skeleton with marvellous distinction.  
That of the crocodile also shows the  
bones still to be in their proper re-  
lative position to one another."

Further investigations are to be  
made upon the Egyptian material as  
well as upon vessels made of marble,  
alabaster and metal. The work will  
be extended to several departments,  
and plans also are now under way  
to take X-ray pictures of rock forma-  
tions which are more than 3,000  
years old. Moving pictures of the  
process are contemplated.

## BY CADJE

The Sistine Chapel Choir, direct from Rome, under the direction of a venerable old man—the famous Maestro Antonio Bella perpetual vice-director of the Sistine Chapel choir, gave its concert at the Faurot theatre Wednesday evening. It will go down in local musical history as among the most significant of offerings.

The program, as was to be supposed, embraced liturgical music only, selections by Palestrina, the most prominent composer of the Roman Catholic church; by Vittoria, his contemporary and friend and by the Abbo Perosi. In all the realms of Roman Catholic church composers, it is not difficult to understand why Palestrina's work stands out as the most prominent. It was always the most impressive and interesting, and still there was a delightful variation in Perosi's Alleluia, for two choirs in which sweet tenors replied in antiphony from off stage.

The choir, possessing as it does many marvelous voices, is well trained. Set in a plain surrounding, perhaps with inadequate environment the whole sang with a full spirit of devotion. Under the wizardly leadership of Bella, who with shaking hands, high in air at times and then sweeping majestically, embodied with the spirit of music, they sang as one great machine; like the roar of the tempest and then to the faintest pianissimo, like the gentle zephyrs of spring. Notable above all else was their "attacks." They were something good to hear, the gift of perfect pitch. It required no tuning fork to catch the key.

Palestrina has always been an argument among critics; but Palestrina as handled by this superb organization came into his just deserts. It was a performance which an audience that taxed the capacity of the famous Faurot theatre will remember, graciously, fervently, for a long, long time.

## BABY LEFT ON PORCH OF HOME AT DAYTON

DAYTON — Police are probing the mystery surrounding a three-month-old baby girl left on the front porch of Mrs. David Phelan, last night.

The child wore expensive clothing and an extra supply of milk was in the basket. A woman called at the home of John Fisher and asked him to tell Mrs. Phelan some one might steal her Christmas gift from the porch.

The child was later taken to a hospital.

## OTHER TWO CHILDREN RESCUED FROM FLAMES

CLEVELAND — A mother and two small children, trapped by flames on the second floor of a two-story frame dwelling today were rescued by firemen who carried them down ladders.

Mrs. Anna Nemechick who lives on the second floor, with her husband, Martin, and the two children, had gone to the kitchen in the flat on the first floor.

As she opened the kitchen door, a cloud of smoke billowed over her. Nemechick ran upstairs to her children, Blaise 3, and Regina, months.

Seizing the children, she sought escape down the stairway. The fire had gained such headway that she was forced into her flat.

The mother dragged the children from a front window and called for help. Neighbors heard, saw the smoke issuing from the lower windows and called the fire department.

POLICE HUNT WOMAN — Police were asked Thursday to search for Mrs. John Bosekerm. Defontaine-rd, missing from her home since early Tuesday morning. Points indicate the woman is shyly domineering over the recent death of her husband and may be found wandering in the city. Relatives live in Ft. Wayne and word has been sent there.

## LIQUOR BOATS SEIZED

BOSTON — The Christmas rum running trade off the New England coast was interrupted when the United States cutter Tampa yesterday seized six motor boats which had put out for a liquor laden British steamer off Gloucester. The boats were towed into the harbor and left night.

## GEORGE HANSON, ENGINEER DIES OF HEART TROUBLE

George Hanson, 69, life-long resident of Lima, died of heart trouble home, 453 N. Elizabeth-st., after an illness of one week.

Hanson was born in Lima, Dec. 15, 1854. He was employed as an engineer on the Lake Erie & Western railroad for 25 years but at the

time of his death was stationary engineer at the Solar Refinery. He was a member of the B. of L. E.

Surviving are the widow; one son, W. L. Hanson; three daughters, Mrs. James Corey and Mrs. Sidney Bowers, both of Lima and Mrs. Carl Laven, of Toledo; also five grandchildren.

Funeral services will be conducted Saturday at 2 p. m. at the residence. Rev. C. A. Rowand,

pastor of Trinity M. E. church will officiate. Interment in Woodlawn.

FIRE AT K. OF C. — Small trash fire at the Knights of Columbus recreation-bldg. W. North-st., was extinguished at 11:30 p. m. Wednesday. Damage was estimated at \$5.

## ELKS HOME IS SCENE OF DINNER

Mrs. AND MRS. GEORGE T. GLOVER, 1333 Lakewood-av., presided at a seven o'clock dinner of most exquisite appointments at the Elks' home, Wednesday evening. Mr. and Mrs. Glover entertained a large number of guests at the affair, which was one of the most attractive of Christmas parties.

During the dinner, the guests were seated at two long tables in the main dining room, the only illumination of the room being furnished by the large red candles on the tables. On each table was a long plate centerpiece, studded with holly leaves, poinsettias, Christmas candles and ribbons. On either side of the centerpieces were plates of baskets of red carnations and white narcissus. Red candles in crystal holders and holly and ribbon were used the entire length of the tables. Place cards and nut cups were also suggestive of the Yuletide season.

Tables for Mah Jongg were arranged in the lounge of the club following the dinner. At the conclusion of the games, Mrs. J. F. Bowman held high score among the women and Emmett Curtis, Jr., among the men.

Out-of-town guests present at this attractive affair were Mrs. Howard King of East Orange, N. J., Mrs. Harry Gay of Cincinnati, Mrs. A. D. Alderman of Marietta and Mrs. Victor Arbogast of Paris, France.

## SUSIE SMART'S ADVICE

Dear Miss Smart: I HAVE just finished reading "True Blue Lads" and I want to say something to him thru your column. Laddie, it is the truest tale I have read—not a savage cavern, you have the right idea and don't stop respecting all girls, but I am sorry for you Laddie because I believe you are the right sort.

Did you ever think that perhaps called the same way you do, at times? We wonder at times if there is one boy in the world who knows how to treat a girl.

Surely your letter must give hope to some girls, since there is evidently one who can respect a girl. This is hard to find, you know. Perhaps your trouble isn't as bad as you think, but the girl has to be a real thing to lose a woman you have loved and honored.

At any rate, don't play the game and please don't come to love all girls because you have, perhaps, judged all by one.

MY readers will no doubt recall the letter in Tuesday's Lima News written by "A True Blue Lad." The above letter is in reply to the one published by him. I will be very glad to publish any letters from young people, who have something to say to this young fellow.

Dear Miss Smart: I am a daily reader of your column and would thank you very much if you would answer my questions for me. I am 18 years old and am going with a boy 18 years old. Could you suggest a nice Christmas present to give him, which would be suitable. I have been going with him for six or seven months.

Should a girl expect a present from a boy if she gives him one? Should she give the present to him or send it to him?

How is my writing? Thanking you in advance, I am, BROWN EYES.

Why not give him a silver or gold pencil? Or if he has a pen, one can usually get very nice fountain pens for reasonable prices. If he enjoys reading, a book of poems, leather bound, or a late novel, would be a nice gift. Why not give him one or two initialed handkerchiefs.

No, don't expect a gift, because you might be greatly disappointed. The really true Christmas spirit is not giving a present, expecting one in return but giving a present because of one's fondness for the receiver of the gift. Give him the present, that is, if he lives in the same town as you. If, no doubt, will call Christmas Eve or Christmas Day and then would be the time to give him the gift.

Good. Dear Miss Smart: We are two girls 17 years of age and are planning to have a New Year's party. Could you please suggest some games that we could play? There are a number of games, but we are looking for something new in which all can play. How is my writing?

I am sorry but none of the games I have would be suitable for boys and girls your age. Young persons in their late teens usually enjoy informal parties and beyond that, I have little to suggest. Why not go to the public library and look up the games? They have various books where games and contests are listed.

You might arrange a costume party. Wouldn't your guests enjoy that?

Your writing is very good. Dear Miss Smart: I am fourteen years old. I am going to have a Christmas party on Sunday evening. Will you suggest some kind of centerpiece and suggest something in the way of jokes and games?

What kind of a lunch would be good to serve? I want to be a big lunch. Thank you for your trouble. MARY SUNSHINE.

## SOCIAL CALENDAR

Mrs. Emma C. Marshall and Mrs. William Marshall, of Pleasant, Ind., on account of the death of their sister, Mrs. Katherine Koonitz.

Members of the Knights of Pythias lodge and their wives will enjoy an informal dance on Friday evening, December 21st, in the K. of P. Hall, 149 1-2 S. Main-st. This is the annual Christmas dance.

Mr. and Mrs. Kenneth Kerr and son, Kenneth, Jr., of Wilmington, will arrive in a few days to spend the Christmas holidays with Mrs. Kerr's mother, Mrs. Frank Sieber, W. Spring-st. John Sieber, who attends the Guelph School of Law in Cincinnati, will come on Saturday to spend the holidays at his home.

Mrs. Fred Linder and daughter, Maxine, of Edison, will come on Monday to spend Christmas with Mrs. Linder's parents, Mr. and Mrs. Virgil DeGrief, Hughes-av.

Mrs. William opened her home at 222 S. Main-st. Wednesday, for the regular Christmas meeting of the Floral Guild. A covered dish luncheon was enjoyed at one o'clock, the luncheon table having as its centerpiece an attractively decorated Christmas tree.

During the afternoon, plans were made for the giving of five needy families for Christmas and reports of the philanthropic work done by the guild given by the charity chairman, Mrs. C. H. Moore. A contest was held in which Mrs. George Brunk and Mrs. Samuel Roeder were successful.

Assistant hostesses Wednesday were Mrs. Leo Deikman and Mrs. M. L. Mayer. Guests were Mrs. N. B. Kason of Johnstown and Miss Blanche Finley.

The next meeting of the guild will be with Mrs. J. H. Baker, N. Washington-st., in a month.

Mrs. A. M. Squire was elected president of the Ruth Bible class of the Trinity M. E. church at the final meeting of the year 1923 held with Mrs. C. C. Chasness, S. Charles-st., Wednesday afternoon. Mrs. George Woll, second vice-president; Miss Mollie Gottfried, secretary and Mrs. Bruce Applas, treasurer.

Following the business session, a social hour was enjoyed. Mrs. Chasness served tea at 5 o'clock.

Mrs. Gas Holsten, W. Elm-st., leaves soon for St. Petersburg, Fla., where she will spend the winter.

Mrs. W. E. Kloske, W. Wayne-st., entertained the members of the C. O. P. club at her home, Wednesday afternoon. A program of piano and vocal solos and readings were given by Mrs. R. A. Smith, Mrs. C. E. Toegardin and Master Arthur Trachsel, Jr.

Members enjoyed a Christmas exchange and the hostess served a two-course luncheon at 4:30 o'clock.

Mrs. Ray Rice, Erie-av., will entertain the club on January 10th.

Mrs. George Brunk opened her home on W. Elm-st., Thursday for a meeting of the Oneta club members. The women were invited for a one o'clock luncheon, after which a social afternoon was enjoyed. Contests were held and a feature of the afternoon's entertainment was a "Christmas Play."

There were no guests at the meeting.

### SNAPPY SPORTS

Johnny Wilson defeated Pat McCarthy on a technical decision, which goes for a knockout, Wednesday evening in Mechanics Pavilion, Boston. McCarthy's eye got so bleeding badly, and the referee ordered an expert examination. After that the mill was ordered stopped and Wilson was awarded the contest.

Friends of "Babe" Asher, who was bantamweight champ of the American expeditionary forces in France, have protested the use of his name in connection with a bout advertised to take place at Akron, Ohio, on New Year's afternoon. Asher is recovering from blindness, and has been under the care of specialists for at most a year. He has not boxed since and may never be able to appear in the ring again.

Bike races are becoming very popular. Chicago is to have another, its second in one year. The affair is billed for next Jan. 3 and will include about all the stars in that line of sports, including many of the European bikers.

"Strangler" Lewis still retains the title. He succeeded in flooring Joe Zickman, of Nebraska, who has been billed as Jozef Rojaski, the Polish champ. Lewis had a hard time, however. He gained the first fall in 1:09 by use of the headlock, and he took the second fall in 2:15, though the same hold. During both falls the Nebraska man was in dangerous positions several times. Zickman while a good wrestler has been in the game a long time, at different intervals using the names of Joe Malovich, Jack Daley and Jack Turner.

A bronze plate on which is inscribed his last letter has been placed in the gymnasium at Iowa State college by athletic letter men in honor of Jack Trice, star colored tackle of last year's football team, who died as the result of injuries received in the game with Minnesota last fall. An honor "A" awarded by the athletic council, was sent to his mother in Ravenna, Ohio.

The Cincinnati Reds, is going to help Jack Hendricks buy the Indianapolis franchise of the American association. The plan has been approved by August Hermann, of the Reds. The plan now needs but the ratification of the board of directors. Hendricks would invest a considerable sum; would become president of the team, but still retain his position as manager.

### Hoppe Retains His Championship

CHICAGO—Willie Hoppe again has gone through the familiar process of being acclaimed a world's champion. Tied by Walter Cochran, the California youth, in the recent New York international tournament, Hoppe emerged victorious, 1500 to 1161 Wednesday night after a three nights' playoff in Orchestra hall here for the title. Hoppe, still the master billiardist and match game strategist, lost the final block to the young coast player by 225 points, but came thru easily by virtue of a long lead he had built up against just such an emergency by taking the opening night's block 500 to 203, and the second installment 500 to 233.

Hoppe's high run for the match was 211, made Tuesday night. Cochran's best was 107 last night. Hoppe's grand average was 44 4-34, well under his record, and Cochran's was 34 5-34.

### Among The Cagers

Saint Rose High's basketball players will play the well-known Columbus Aquinas quintet on Saint Rose court Thursday night in one of the most important scholastic clashes of the season. Coach Bob Young will send his players into the game with but one command—to hold Aquinas' offensive in check.

The Columbus team, for three years winner of the scholastic championship of the capital city, and strong contender for the championship of Southern Ohio this season, is composed of players, recognized as the cream of Columbus High school basketball players.

Dimmie Ahmanson, captain and left forward, member of the all-Ohio team last year, and his running mate, Jack Beckwith, compose what Columbus sport writers recognize as the fastest offensive combination playing high school basketball in Ohio. At center, Eddie Burns, measuring over six feet, has been a member of the all-city team of Columbus for three successive years. At guard, David David, for two years member of the first team chosen at the Delaware tournament, and Charles Houston, the only member of the team without at least two years of high school experience. While Houston is not an experienced player, he is said to be the fastest man on the outfit. The Columbus team will bring with it six substitutes—Cannon, member of last year's team who was beaten out of one of the guard berths by the youthful Houston, Matthew Malone, James Cunningham, utility center, Francis Cannon, John Corbett and Peter Kuhn.

Aquinas is the team that upset all advance dope on the 121-22 state tournament at Columbus. The team played into the finals being beaten out in the last few minutes of the last game of the tournament by only a few points by Mount Vernon High—the wonder team of the middle west. Four of the players now with Aquinas played with the team against Mount Vernon. They are Albanese, Beckwith, Burns and David.

Coach Young will start Wells and Graff at forward, O'Connor at center, Boyle and Campbell or Lane at guards. It is probable that Jimmy Christen, sophomore recruit who is in splendid form. Gar Graff and Christen are so evenly matched that it is a hard proposition to decide which is the better.

Thursday at Hawisher hall the Lima Business College will take on the fast St. Mary's Athletics basketball team. The Business College players, after a rest from last week's three games, are out to continue their winning streak. They have won six games and lost one so far this season.

The St. Mary's team will come here fresh from its 45-4 victory over a Sidney team Friday night. The Saints are made up of former St. Mary's Hi cagers, who have now formed an independent organization. Their center is Fike, who was one of the mainstays on both the football and basketball teams at St. Mary's Hi for several years.

The Business College-St. Mary's game, which will begin at 8:15, will be preceded by a clash between the Outlaws and the Veterans, two fast teams made up of Lima high school players. Their contest will begin at 7:30.

Lima will line up tonight with Marquis and Crawford, forwards; O'Connor, center; and Brown and Benedict, guards.

against the fast semi-pro Goodyears at Akron. Three games in as many nights are expected to be strenuous to Coach Newton's men, but he has plenty of good second-string men to use in case his regulars cannot stand the pace.

Bluffton has a star in Hostettler, their rangy center, who starred against the Lima Business College last Friday night. Captain Smith and Harley, Northern guards, will probably have a hard time keeping him from scoring his long range shots.

In a pre-season game played here last Sunday night against the Lima Collegians, Lynch and Dickson, Ada forwards, gave a pretty exhibition of basketball, and the same brand can be expected of them against Bluffton.

No games will be played during the Christmas vacation. The team will not play again until January 4, meeting Anioch here.

ADA PLAYS THORPE'S INDIANS  
ADA, Ohio — (Special to The Lima News) — Kears' Clowns, formerly known as the Ada Collegians, will play their first home game of the season at the Ada High School gymnasium Thursday night when they meet Jim Thorpe's Oorang Indians five.

The Indians have just completed their football season and are in excellent condition to begin the grind of their long basketball season. Inasmuch as they are full-blooded aborigines and the Ada team will wear down suits, the game is expected to be jammed with color.

CENTRAL HI PLAYS GOMER

Central Hi will play the first games of their basketball season, against the strong Gomer team Friday night. The Central boys have been working hard under the skilled direction of Coach Theibert, and it is said that among the many applicants for first team he has found some very promising material. The game Friday night will be watched with interest, because it will demonstrate to a great extent the strength individually and collectively for the grueling contests that are hooked ahead. On January 4 comes Springfield, with Cleveland Shaw to follow on January 11. Every member of the team is on tip-toes and it is certain that a game check full of pep, win or lose, will be written after the game Friday evening.

### In Squared Circle

BALTIMORE — Joe Dundee, Baltimore lightweight, defeated Ted Marchant of England, in 12 rounds.

MONTREAL — Leo "Kid" Roy, former featherweight champion of the British empire was awarded decision over Tommy Noble, British featherweight in 10 rounds.

NEW YORK — Casper Leon, 17 year old son of the boxer of the same name who a generation ago fought Jimmy Barry, then holder of the world's bantamweight championship, five times to a draw, made his amateur debut in a tournament at Madison Square Garden last night but was outpointed by Bernia Bonelli in three rounds.

NEW YORK — Ad Stone, promising Philadelphia light heavyweight, may get a chance to box Gene Tannev for the American 175 pound title if he succeeds in defeating Billy Shade of California, tomorrow night in their 15 round match at Madison Square Garden.

FOOTBALL PLAYER ILL  
CINCINNATI — James Nippert, University of Cincinnati football player, is in a critical condition here, suffering from blood poisoning developed from a wound received in a game Thanksgiving Day.

## Paddock's Set Down Causes Tempest In Amateur Athletics

(BY HENRY L. FARRELL)

NEW YORK — (United Press) — More tempest in the little teapot that Charlie Paddock had spouting when he went to Paris last summer against the wishes of the A. A. U. is about to be uncovered again.

Paddock was "set down" by the A. A. U. because he insisted upon some personal liberty and the exercise of a few privileges to which he was entitled as a college athlete.

Dire threats were made that he would not be allowed to accompany the next Olympic expedition of the American athletes to Paris.

Recently on the coast, it was printed that Colonel Robert M. Thompson, president of the Olympic committee, was inclined to think that Paddock was guilty only of a political offense, if any, and that he was eligible for the Olympic team.

Aroused, the New England association of the A. A. U. delegated William C. Prout, president of the A. A. U. to learn if Colonel Thompson knew what kind of a track "criminal" Paddock was and to ascertain if the Olympic committee proposed to supersede the authority of the A. A. U. in passing upon the eligibility of athletes.

As far as can be learned here, Colonel Thompson is keeping his opinion to himself. The National Collegiate Athletic Association, which has some ideas at variance with the A. A. U. on the selection and management of the track and field team, intends to take up the case of Paddock at the annual meeting in Atlanta and ask the reasons for the suspension of Paddock.

In the annual meeting of the A. A. U. in Detroit, the president's report accused Paddock of being professional because he was making money on a lecture tour and it charged that his expense account from the Antwerp Olympics never had been balanced.

### Has Fine Record

The Nebraska State League, a C. A. D. organization, has sent 22 players to higher class ball during the past season.

### IRON MAN JOE SAYS HE'S DONE WITH BASEBALL

Joe McGinnity, known to millions of baseball fans as the "iron man," has decided to retire from baseball forever. He has rejected a proposition to manage the Dubuque club in the Mississippi Valley league for next season. He won the pennant there last season, himself pitching in no less than twenty games.

"Old Joe," as is more familiarly known, has lucrative employment with the Staley Manufacturing company at Decatur, where he has been for the last seven years. He is 52 years old and has been in professional baseball for more than thirty years.

But many fans of this section are asking themselves if McGinnity actually will quit next spring, when the warm sunshine starts to dry up the baseball fields and players are starting their training.

## RIGHT FIELD FOLLIES

True Baseball Stories for the Hot Stove League  
By An Old Leaguer

Here is a story of—I was going to say our own—Bill Morissette, pitcher for Minneapolis, and Bill is a good pitcher, no one that knows him and the good name of baseball will deny this. And we are all familiar with the fact that so far as records go, and then that figures don't lie, is at bunk; figures will undoubtedly do the bidding of navy, like they did in the beef trust investigation, because it was always confidently believed that the investigators got the wrong set of books. So it's all right for the pitcher of the Yanks to be called king-pin, they are, no denying that, but when it comes to averages they've got a whole lot better team behind them than Bill had with Minneapolis at the time this story was told.

He pitched a whole of a game that day, but in spite of all he could do, it went on the wrong side of the column, and, of course against Bill, when the compilers made up the averages at the end of the season.

Bill was sore after the game, sore as a boxer knocked out of a championship. And Bill, no different from other pitchers pictured in the Adonis class, had admirers of the opposite sex. This happened in Minneapolis. We'll have to reiterate that the Adonis was sore because he had lost the game, and when he got in along with his fair driver, he expressed himself very forcibly, perhaps for consolation, for misery always likes company.

"Doggone it," said Bill, no stronger expletives were used than this; "Errors lost the game for me, didn't they?"

Sympathetically, the young lady replied, "Errors, oh, that was the fellow who played shortstop, wasn't it. I could tell from the way he played that he was no good."

There you are; there's simplicity personified. The story doesn't say whether Bill smiled or not.

## East And West Gridders To Meet Often

NEW YORK — With about thirty intersectional games already scheduled and others in prospect, the 1924 gridiron season promises to furnish unusual opportunity to compare the relative football strength of various sections.

Notre Dame and the Army lead the barnstorming list. Including their own annual battle, to be held in New York, each has four intersectional games booked. The others to be met by the Hoosiers are Princeton, Georgia Tech., and Carnegie Tech., while the Cadets also meet St. Louis University, Detroit and Florida.

Three other eleven have three intersectional opponents scheduled. Marquette of Milwaukee, will oppose three eastern opponents, Navy, Boston College and Vermont; Yale will encounter a southern group composed of North Carolina University, Georgia and Maryland; while Boston College will meet the Haskell Indians, Marquette and Centenary.

The intersectional games arranged include the following: October 4—Harvard vs. Virginia at Cambridge; Dartmouth vs. McGill at Hanover; Yale vs. North Carolina at New Haven; Army vs. St. Louis at West Point; Syracuse vs. Alabama at Syracuse; Penn State vs. North Carolina State at State College.

## OHIO POWER CO. GIVES INTERESTING PROGRAM

DELPHOS — Officials of the Ohio Power Co., and the Northwestern Light & Power Co., were in Delphos Wednesday inspecting the local plant and offices, and in the evening, at the city building, presented a program of facts and figures to 50 employees and stockholders of the company, city officials, and other invited guests. In the party were Homer Gandt of Van Wert, general manager of the Northwestern Light & Power Co., and David Street, of the stock sales department; C. Shinn of the public relations department, who operated the moving picture machine and gave the lecture, Louis Strong of Atlantic City, N. J., of the Jersey Power Co.

## HERE AND THERE IN DELPHOS

Cream price was advanced to 55 cents by local cream stations Wednesday, and as a consequence there was a rush of farmers with cream Thursday. The added penny per pound helps with Christmas shopping, they say.

J. M. Hood, superintendent of the Northern Ohio railroad, passed Wednesday night in Delphos on business of the company. He left Thursday morning on No. 46 for Carey.

The Kiwanis club is preparing to send out a number of Christmas baskets, cooperating with the St. Elizabeth Benevolent society. The Boy Scouts are to deliver the baskets Monday.

About 75 Delphos people were in Lima Wednesday night to attend the musical entertainment given by the St. John's choir. About 50 were by interurban and the rest by auto. They speak very highly of the choir's renditions.

Mayor-elect George N. Leasure is not making public the list of appointees he proposes to make on taking up the duties of his office Jan. 1, but he has intimated that the women electors will be recognized by the naming of one or more of their number on boards. The list will not be ready until time to make the appointments. Leasure stated Thursday.

## SCHOOL BOARD MEETS TO SPEED UP PAYROLLS

DELPHOS — The board of education held a special meeting Wednesday and arranged for the final payroll of teachers for the year. Friday is payday for the month, and the regular meeting of the board does not come until after Christmas. The schools will close Friday in all departments until Jan. 7.

St. John's schools also will close Friday. Sessions will be held in the morning and in the afternoon the pupils of the grades will be gathered in the auditorium, where Santa Claus will distribute gifts of candy.

## NEW FREIGHT SERVICE PROMISED FOR DELPHOS

DELPHOS — A new freight service, with "next morning delivery" is to be inaugurated Dec. 20 by the Port Wayne, Van Wert & Lima Traction Co., to and from Cleveland, Lorain, Sandusky, and other points on the line. Delphos business men dealing with firms or companies in the territory included in the new service are preparing to take advantage of it.

## WEST NEWTON MAN BUYS I. FOGELIN &amp; CO. STORE

DELPHOS — The I. Fogelin & Co. dry goods store has been sold to R. S. Coffin of West Newton, O., who took possession Wednesday. Fogelin, who has been in charge of the business 14 years, has retired, but has not announced where he plans to go. He plans to continue the business at the same location and reduce stock.

## BOWLING

DELPHOS — The bowling team defeated by 62 pins on the Royal alleys here Wednesday night by the Royal Five of Delphos. Fisher of the Broadways and Dillon of the Royals were tied for high score, 214. Willet of the Broadways and Lumbrecht of the Royals also hit over the 200 mark. The scores:
